Description

Amulet

Sleek sophistication meets sculptural luminosity in this modern pendant series. Each elongated glass capsule features a softly tinted center that transitions to clear glass at the top and bottom, creating a refined gradient effect and warm, atmospheric glow. The Champagne Gold finish pairs with amber-tinted glass, while the Matte Black finish pairs with smoked-tinted glass, each offering a distinct and contemporary expression. Suspended from a coordinating canopy, the pendants float gracefully, adding movement and visual interest to any space.

*Features a 5CCT switch inside the canopy to adjust the 5 selectable colour temperature
